## 2022 PRO TEM PROJECTS

For the past several years we have been able to help some special people and mission sites with money out of our missions endowment fund. This is in addition to our full-time support of \$125,000 that goes to our full-time missionary salaries. This year our extra support is going to the following: Predisan Health Ministries in support of a chaplain. Amelia Stanford will receive our support in her work as an stateside administrative assistant with the Pearl House, a girls home in Ghana.. The AcroCenter in Greece in support of a minister to refugees. Joel & Kristin Osborne and their ministry team in Mito, Japan. Mit & Mahya Vikraman in support of their work in Singapore.
